POLICIES AND INFORMATION

CHILD AND YOUTH SERVICES (CYS) PHILOSOPHY:

The Fort Detrick CYS goal is to assist each child through their four stages of growth and development. Opportunity for this journey is provided in a safe and healthy environment. Quality customer service, an inviting and stimulating environment, and a caring staff are top priorities. We, as a staff, strive to enhance and promote a positive self-image for children and youth.

We believe that each child is a unique individual. Our programs are delivered to provide developmentally age appropriate activities in a safe and inviting environment, which offer opportunity for self-discovery and expansion of existing skills and abilities. Through social play, children not only learn about the world around them, but how to interact with others. Trying new experiences and testing their boundaries help to develop self-confidence.

BEHAVIOR POLICY:

Discipline will be positive in nature, including such methods as diversion, separation of child from situations, and praise for appropriate behavior. All summer staff will have training in the use of positive discipline. If children are caught doing something that is of danger to themselves or others, or breaking any rules, their parents will be called and the child will have to be picked up immediately. If discipline problems persist, a parent conference will be scheduled and necessary action will be determined at that time.

FOOD AND MEDICATION:

The CYS understands and appreciates the need for a healthy diet among all of our members. The Child Development Center and School Age Services program are under the United States Department of Agriculture (USDA) Child Adult Food Program. Under USDA guidelines, your child will be provided with a breakfast, lunch, and snack during camp hours. USDA guidelines state no outside food is allowed into a USDA food program; therefore, if your child is unhappy with the provided meals, parents are encouraged to pick up their child at meal time or an option can be provided at an additional cost to the parent. Notification is due in writing to the facility director one week prior. The Middle and Teen program is not under USDA restrictions, but are also provided a USDA breakfast and afternoon snack.

The CYS program staff will administer medication in accordance with Army Standard Operating Procedures (SOP). The facility director will review the medication policy on a case by case basis.

ADDITIONAL COST:

On occasion additional cost may be incurred by parents for special outings, to include but not limited to McDonalds, field trips, ice cream socials, etc.

PERSONAL PROPERTY AND BELONGINGS:

All personal belongings brought into the programs by a youth are the responsibility of that family/youth. The CYS is NOT responsible for lost, damaged, or stolen items. Please discourage your child from bringing anything to the program that is not completely necessary, especially money. Necessary items, such as sunscreen, backpacks, and jackets should be clearly marked with the child's name.

ACCIDENTS:

The CYS programs strive to maintain a safe and secure environment. There is an assumed risk in many of our core activities, including, but not limited to sports. Please feel safe in knowing that our trained staff are attentive to providing the safest environment possible. The completed membership application authorizes the program staff to seek medical treatment for a member, if necessary, and that any associated costs for such care are the responsibility of the parent or guardian. CYS does NOT provide medical insurance for members. In the event of a serious injury, the staff will call 911 immediately and then call the parents/guardians or alternative emergency contacts. This is one more reason why updated contact information is your responsibility and crucial to your child's well-being (PLEASE ENSURE ALL CONTACT NUMBERS ARE ACCURATE).

KINDERGARTEN CAMP

The Fort Detrick Child Development Center (CDC) offers a Kindergarten Camp for children who have completed kindergarten during the 2005-2006 school year. Cost is based on the CDC Full Day Kindergarten fees.

Week 1 of summer camp will be pending on the Frederick County Public School (FCPS) calendar for summer dismissal.

The CDC Kindergarten Camp provides children with many wonderful activities, presentations, and field trips to entertain and delight. There will be special presentations, field trips, and trips to the Fort Detrick Pool for recreational swimming. A typical week may look like this:

When not participating in a scheduled activity, the camp counselors will be providing exciting age appropriate activities that engage and encourage the children to learn and grow. For more information, call 301-619-3300.

TEEN X-TREME CAMP

The Youth Services Teen X-Treme Camp is for youth who have completed grades 6-12. Within the last 3 to 5 years, statistics have shown an alarming number of contributing factors to the misconduct that places this age group at a special risk. The Youth Services Teen X-Treme program is designed to reduce at risk behaviors by offering young people inviting and self rewarding activities. Youth enrolled in this program will have an option of participating in a Home Base Camp or a High Adventure Camp option. The activity in each option is designed to develop a life skill, promote a positive self image, and to reinforce learning skills.

Week 1 of summer camp will be pending on the FCPS calendar for summer dismissal.

- Each camper will receive a camp shirt which must be worn on trips.
- Camp Hours: Monday-Friday, 0600-1430.
- At 1430, regular walk-in hours begin and youth have the option of transitioning into the Walk-In Summer program, or be dismissed from camp.
- Each teen will be responsible for bringing his or her own lunch or spending money according to the trip note.
- Lunch will also be available at the Snack Bar for a small fee.
